

**0.5 FTE Social Worker – Permanent Part Time**  
**Belleville and Quinte West Community Health Centre (BQWCHC)**  
**(1 x Part Time \$31,941 - \$38,830 / year - based on 17.5 hours/week)**

**Job Summary:** The focus of the Part Time Social Worker position is on clinical services, and providing short-term, goal-directed therapy to individuals, couples, and families. The Social Worker is part of the Community Health Team. This position is accountable to the Manager of Community Health Programs and Engagement.

**Key Areas of Responsibility:**

- Clinical Services – perform psychosocial assessments and provide short-term, goal-directed therapy to individuals, couples, and families; utilize various evidence-based therapeutic modalities as appropriate to manage a wide variety of mental health issues for individuals with diverse needs.
- Involve and/or refer to external mental health agencies as appropriate.
- Collaborate with members of the BQWCHC interdisciplinary team and others to co-design and support client-centered goals toward optimal overall health.
- Participate in the development and evaluation of programs and services related to the mental health and wellbeing of clients and the community as needed.
- Participate in chart reviews, case conferences, and other quality improvement activities.

**Qualifications:**

- Master of Social Work degree and a member of OCSWSSW in good standing
- Minimum of three years of clinical social work experience; preferably in a community setting (collaborative practice/team-based care an asset)
- Proficiency in current assessment, psychotherapy, and psychosocial therapeutic techniques
- Ability to work effectively from a person-centred, strengths-based and trauma-responsive approach informed by an understanding of the social determinants of health.
- Experience working with and understanding of issues facing individuals and families facing barriers to access and other health equity disparities.
- Excellent interpersonal skills; verbal and written communications skills and the ability to communicate information effectively through a variety of means
- Demonstrated ability to organize, prioritize and multitask effectively, as well as the ability to be flexible and adapt quickly to change.
- Proficiency in the use of computers and various software applications
