

Nurse Practitioner - Homelessness and Addiction Recovery (HART) Hub
Belleville and Quinte West Community Health Centre (BQWCHC)
Full Time Contract until March 2027 - \$111,220 – 135,207 / year based on 35 hours per week

The Role:

The HART Hub NP works as part of a multi-agency, multi-disciplinary team to effectively support the treatment and recovery of individuals who are experiencing a range of overlapping issues and marginalization including homelessness, substance use and mental health in the Belleville area. . As part of this team, the NP's role is to provide episodic and ongoing primary health care in a variety of settings including in-clinic, outreach clinic, and virtual care. The NP works collaboratively with an Outreach RN, community outreach team (paramedic & addictions workers), guest services workers, and others team members from both The Bridge and BQWCHC. The typical work week is **Monday- Friday from 8:30 to 4:30** with some flexibility for evenings, based on client needs.

The Program:

The HART Hub is a continuum of services that includes the Bridge Integrated Care Hub (also known as "The Bridge"), Rapid Response and Outreach Teams, and Transitional Housing ("Back to Home") to address immediate needs while providing a pathway to long-term stability. As part of this network of wraparound services, The Bridge is a collaborative, low-barrier program that provides essential support, social services, mental health, addictions and primary health care. Operated in partnership with multiple community organizations, The Bridge ensures access to services 24/7, 365 days a year. Through a "one door, one roof" approach, The Bridge fosters recovery, stability, and system navigation for those in need.

Benefits and Opportunities:

We provide a comprehensive benefits package to support your health and well-being, including:

- Day shifts, Monday-Friday
- Mileage Reimbursement
- Values Driven Decision Making
- Professional Development opportunities
- Employee Assistance Program
- Trauma-Informed Approach

Qualifications:

- RN (EC) license to practice from College of Nurses of Ontario.
- Experienced as a Nurse Practitioner, with preference to those with experience in primary health care or in a community/outreach setting.
- Familiarity with addictions medicine and best practices as outlined by Meta:Phi Ontario, preferred.
- Experience working effectively with communities and individuals who face barriers accessing health care and other supports, including those with problematic substance use, mental health, and complex psycho-social issues.
- Ability and willingness to work in an unstructured clinic/street-based model, while maintaining vigilance for the importance of the strategic goals of the program.
- A valid driver's license; reliable vehicle and willingness to travel within the Quinte area is required.
